Overview

The Xth SIGSAND/PLAIS EuroSymposium has the objective of promoting and developing high quality research on all issues related to systems analysis and design (SAND). It provides a forum to researchers and practitioners in SAND in Europe and beyond – to interact, collaborate and develop the systems analysis and design area. The EuroSymposium is currently headed by the Advisory Board, consisting of prominent researchers to guide this initiative.

Organizers

There are three organizers of The Xth SIGSAND/PLAIS EuroSymposium:

- The Association for Information Systems (AIS) Special Interest Group on Systems Analysis and Design (SIGSAND),
- The Polish Chapter of Association for Information Systems (PLAIS),
- The Department of Business Informatics at the University of Gdansk.

Publication

All submissions will be reviewed by the EuroSymposium International Programme Committee for contribution to the relevant topic. The accepted papers will be published as EuroSymposium 2017 Proceedings in the Springer series of Lecture Notes on Business Information Processing (LNBIP).

The series is indexed/abstracted by ISI Proceedings, Web of Knowledge, DBLP, EI & Scopus and the other important services.

Important Dates

Submission of Manuscripts	May 29th, 2017
Notification of Acceptance/Rejection	June 26th, 2017
Final Paper Submission	July 10th, 2017
EuroSymposium	Sept. 22nd, 2017

EuroSymposium fees

The regular EuroSymposium fee is 80 EUR (360 PLN), while the fee for videoconference participants is 30 EUR (135 PLN). It includes:

- a copy of Springer LNBIP Proceedings,
- participation in all EuroSymposium sessions,

and for the residential participants also:

- lunch,
- coffee breaks,
- dinner.

Submission Service

IS faculty members, independent scholars, doctorants and SAND practitioners are invited to submit research papers in the area of systems analysis and design. Given the broad range of topics in this Call, submissions can be based on any range of SAND research. The length limit of completed research paper is 5,000 words.

Papers should be submitted in PDF and doc format. Submissions must conform to Springer's LNBIP format which can be found under instructions for LNBIP Authors at:

<http://www.springer.com/series/7911>

Three to five keywords characterizing the paper should be indicated at the end of the abstract. On-line submission will be offered for EuroSymposium'2017 at Springer Online Conference Service (OCS):
